Clarksburg Class Of '89

So many years ago
When we first started to school
We had to make so many new adjustments
Learn so many new rules.

The place was very strange to us,
But new friends we soon found;
Someone to make school enjoyable
If we felt a little down.

We experienced many new things
That were so different from being at home.
We learned how to share with others
And do things on our own.

Through the years our friendship grew.
We all felt so close together.
This special feeling told us all
We'd be friends, in someday, forever.

The schoolwork got tougher
Year after year after year.
The bad grades we received
Gave us all a certain fear.

Sometimes down the road
We felt we wouldn't make it through
Frustrated at our mistakes
Wondering what we were going to do.

There were many bad days
That we faced once in a while
But we thought back to the good days
Which brought to us a smile.

All those long hard days
Which were so many hours
We made it through them all
With a little "will power."

We felt anger at the teachers;
Bad comments we would make.
We just couldn't understand
Why they didn't give us a break.

But now I guess we've learned
What they did was for our own good.
They put in their effort to help
Anyway they possibly could.

So now we thank you teachers,
For being so patient with us.
All your time and effort
Deserves a big A plus.

We say thank you to everyone
who helped make it through.
Without all your support and help
We wouldn't have known what to do.

A special thanks goes to our parents
For supporting us all the way!
For making sure we got to school
Each and every day.

As our graduation time comes
Cherished memories we'll forget never;
For all those special times and laughter
Will be with us forever.

When we get out on our own
We'll have a brand new world to face.
It will be like starting over again
But nothing like school — our special place.

We hope our friendship will never be lost
Even though we may be far apart.
Remember all those wonderful years
And the love that came from the heart.

This special group of classmates
Is very honored and proud to say,
"We'll remember each other always
Every single day."

And we'll be thankful to each other
For helping anyone's needs —
Clarksburg Class of '89
May, in everything, you succeed!
